

**Dragonheart** wants to thank all of our racers and donors who opened their hearts and wallets to help raise funds for Dragonheart and our 2009 Pledge Partner: Camp Ta-Kum-Ta. These special donors are our unsung heroes for giving even in these most difficult financial times. We thank you from the bottom of our hearts. A very special thanks goes to the top five fundraiser teams that just blew us all away with their fundraising efforts: **A Dragonheart-felt thank you goes out to Wenda's Wings as well as Dragon Techs, National LifeSavers, Draggin for a Cure, and the Water Striders! You are the very best!**

We have not reached our fundraising goal yet. So please keep spreading the word. Who doesn't want to help children with cancer experience all the joy they can? This new Activities Cabin that we are helping to build is sure to make the camp experience special and so memorable.

Anything you can do to keep the fundraising going is greatly appreciated. Donations can be made online at <http://www.ridethedragon.org/donate/secure-on-line> The donation can be placed in your team name as we are tracking the donations. People can also mail in donations. Please make checks payable to: **Dragonheart Vermont LCDBF, and in the memo section write donation and if appropriate, a team name,** and mail to: Dragonheart Vermont P.O. Box 65301 Burlington, VT 05406.

Many thanks to our hard-working racers who gave that extra effort for our cause.

**Fundraising as of 8/16/09**
