

Dear Team Member:

Please send this fund raising plea to all your friends and family to help us reach our \$250,000 fund raising goal for the festival. All you need to do is copy and paste the note below into an email. Send it to all your friends and family. Please feel free to personalize the note and add your own goals.

Dear Friend,

I'm excited to be paddling in the **2011 Lake Champlain Dragon Boat Festival** on August 7th. The Festival benefits our whole community with a day of paddling and entertainment. In addition, the Festival hopes to raise funds for local cancer related non-profit organizations—Dragonheart Vermont and Survivorship **Network On Wellness**. Dragonheart Vermont is a breast cancer survivor and supporter organization and Survivorship NOW is Dragonheart's Initiative to help bridge the gap in support for cancer survivors between treatment and recovery. The focus is to forge a **Network On Wellness** that will better serve survivors in our community. We will put into place programs that will help guide, equip, and empower cancer survivors to live life well. The vision is to one day create a Vermont Cancer Wellness Center in collaboration with our local institutions to create opportunities for therapeutic treatments, strengthening programs, education, and support.

Won't you help my team reach its fundraising goals? You can make the donation securely online. Please log onto the festival website www.ridethedragon.org and click on the **Donations** tab. When you fill in the form, please remember to find my name in the **Support a Team Member** area so my team and I get credit for your donations.

Thank you so much for your support.

Paddles up,
